ASK: Have you
- Travelled out of province in the last 14 days OR
- Been exposed to individuals known to have COVID-19 or a suspected case of COVID-19. Suspected may include scenarios like:
  • large events with confirmed case(s) of COVID-19 subsequently diagnosed
  • flights/cruises announced in connection with confirmed case(s) of COVID-19
  • large conferences
Health care providers should confirm setting AND how the individual was notified
- Been exposed to laboratory samples known to contain COVID–19

NO

YES

Do you have any cold or flu symptoms?
- Cough
- Fever
- Runny nose
- Sore throat
- Weakness
- Headache

NO

YES

Infection Control Considerations:
1. Mask/index case & accompanying persons:
   a. Before touching patient,
