

Child Care Accommodation Reminder

Health care workers are reminded of the options available to you if you are experiencing difficulty in finding a match for your child care needs.

To apply for child care accommodation needs

1. Complete the [Family Status Accommodation Form](#)
2. Once completed, return the form to your manager, who will then provide a copy to Human Resources
3. In order to apply for a child care centre space, complete the [Essential Services Worker Childcare Request Form](#)
4. Early Learning and Child Care or a child care centre will contact you directly when a space is matched to your needs

If you have not yet received a response, contact your human resources department and they will continue to work with the Department of Families on your behalf.
