Lanette Siragusa, Provincial Lead
Health System Integration & Quality,
Chief Nursing Officer, Shared Health
Re: **Call for Former Registered Nurses**

As we prepare for the anticipated increase in patient demand across Manitoba related to COVID-19, former Registered Nurses with experience in the past 5 years are asked to consider joining the provincial fight against COVID-19.

Interested former RNs who have been registered with the College of Registered Nurses of Manitoba within the last 5 years are asked to visit the College's website for information on an expediting registration process <https://www.crnmb.ca/about/covid-19>.

Once interested RNs have completed the expedited registration process they are asked to contact the central COVID-19 Recruitment Office by email to COVID19Recruitment@sharedhealthmb.ca. Please complete and attach all required information in the form available [here](#).

Thank you for considering this request.

For full details, please refer to this Government of Manitoba [news release](#).
