

Physical Distancing and Non-Medical Mask Use in Non-Patient Areas

Physical distancing applies to your interactions with colleagues/patients/public **AT ALL TIMES** when PPE is not in use.

- In staff and common areas when PPE cannot be worn, strict compliance with physical distancing is required.
- Where you are able to maintain physical distancing in a workspace, meeting space or in a staff or common area, a non-medical mask is not required

Wear a non-medical mask and maintain physical distancing wherever possible, including:

- Entering or exiting a building, meeting space, staff or office space.
- Passing through or remaining in common areas such as lobbies, hallways, elevators, tunnels, printer areas
- Travelling to or using washroom facilities.
