

## COVID-19 Process for Screening Visitors to Long Term Care

**Person presents. Maintain spatial separation.**

**Staff to confirm individual is either a designated family caregiver/ general visitor/ another visitor.**

Indoor/ outdoor visits recommendations are outlined in LTC Resident Visitation Principles

<https://sharedhealthmb.ca/files/covid-19-pch-visitation-principles.pdf>

- Screening of all visitors must occur, including assessment for symptoms or known exposure to COVID-19 prior to entry. If concerns are raised by visitor regarding these questions, a facility designate should be available for immediate escalation and problem solving
- Ensure visitors maintain 2 metre/6 feet of separation in the screening lineup and perform hand hygiene
- Follow the Shared Health guidance on personal protective equipment (PPE) for visitor screening: <https://sharedhealthmb.ca/files/ppe-provincial-requirements-visitor-and-staff-screening.pdf>

### Does the person meet visitor criteria?
