

# COVID-19 EMERGENCY SUPPORT FOR COMMUNITY ORGANIZATIONS

## GRANTING PROGRAM FOR NON-PROFITS

### HOW THE RED CROSS HELPS

Thanks to funding from the Government of Canada's Emergency Community Support Fund led by Employment and Social Development Canada, the Canadian Red Cross is making grants available to non-profits across the country as they deliver services to those who are most vulnerable to the health, social and economic impacts of COVID-19.

### WHAT TYPES OF ACTIVITIES COULD BE FUNDED?

- To respond to increased demand for goods and services as a result of COVID-19.
- To adapt or realign existing service delivery and programming to a COVID-19 reality.
- To deliver new services or programming as a result of new needs or losses arising as a result of COVID-19.
- To recruit, engage and support volunteers to deliver services required to respond to COVID-19.
- To support efforts to increase community awareness, information and education related to COVID-19.
